

General Terms and Conditions and Information for individual bookings

Thank you for your interest in staying at our campsite. The following "General Terms and Conditions" apply to reservations and stays with us. By reserving a pitch or rental accommodation, the guest agrees to these General Terms and Conditions.

1. Booking

You can make your booking request for a stay online via the website. Your request will be processed within three working days. Your booking for a pitch or rental property will only become definite once you have received confirmation of availability and a confirmation email. The booking must be guaranteed with your credit card details and a deposit of CHF 30 is required for a successful reservation. This serves as a cancellation fee and will be credited in full to your stay.

Please do not deposit more than this amount. If you cancel in time, we can only refund the amount of CHF 30. Higher amounts paid in advance cannot be refunded!

We only have a few large pitches. We ask that you only book the large pitches if your vehicle is heavier than 3.5 tonnes or longer than 8 metres. Bookings for smaller vehicles on large pitches will be rebooked by reception to standard pitches if necessary to allow large vehicles to stay. Thank you for your understanding!

a. Youth booking

Young people under the age of 18 who make a booking must send written permission from a parent or guardian by e-mail to info@swiss-bauernhof.ch immediately after making the reservation. This permission must be presented at check-in. In the absence of this permission, the campsite operator is not bound by the contract and is entitled to rent the property reserved by the young person to another party without any compensation.

2. Withdrawal from the contract

a. Cancellations

Cancellation of your booking must be sent to us in writing by e-mail. In the event of cancellation of your booking, the following cancellation charges will apply:

Camping pitches / rental properties:

Up to 30 days before arrival: free of charge

30 to 0 days before arrival: flat rate CHF 30.00

The date of receipt of the notice of withdrawal (e-mail) by us is decisive for the date of withdrawal.

b. Transfers

Rebookings up to 30 days before arrival are free of charge. After that, the cancellation conditions for pitches apply.

3. Plot request

If availability and weather permit, you can choose from various pitches on site. Pitch requests will be taken into account as far as possible. However, the campsite management reserves the right to change a pitch number at any time and to allocate an equivalent replacement. A possible plot change does not entitle you to a price reduction or a refund.

4. Arrival / Departure

The pitches can be occupied from 2pm. On arrival, park in the Arrival car park and report to reception. Do not simply drive into the meadow, stay in the paved spaces until the reception has assigned you a space. If you arrive outside reception opening hours, follow the posted instructions and report to reception as soon as it is open.

On the day of departure, the pitches must be vacated in a clean condition by 12 noon. If you use the pitch for longer, the pitch (without personal tax) will be charged for an additional night.

When booking a "late check-out", the plot must be released by 4 pm, otherwise an additional night will be charged.

In the event of early departure, the pitch (excluding the person charge) must be paid for the total duration of the reserved stay.

Only on presentation of a doctor's certificate can the nights not taken up be refunded by arrangement!
